

Oakhurst Community Primary School Equalities objectives 2020/21

At Oakhurst Community Primary School, we are committed to ensuring equality of provision throughout the school community.

The Equality Act 2010 requires schools to publish specific and measurable equality objectives. Our equality objectives are based on our analysis of data and other evidence and are embedded in our School Improvement Plan.

Our equality objectives focus on those areas where we have agreed to take action to improve equality and tackle disadvantages, and we regularly review the progress we are making to meet these objectives.

In order to further support pupils, raise standards and ensure inclusive teaching, we have set the following objectives:-

Objective 1: To continue to narrow the gap between disadvantaged pupils and their peers

Objective 2: To continue to raise the attainment of boys in English throughout the whole school to reduce the gender gap

Objective 3: To enable more rapid progress for pupils for whom English is an additional language
