

Lettings Policy

Review date: 02/23

The Governing Body of Oakhurst Community Primary School is keen to see that the premises at our school are used for the benefit of the whole local community. The education of children is the prime purpose of our school, however we believe education is a lifelong process which should be open and accessible to all. This handbook outlines the policy of our school with regard to letting. It sets out the facilities available, the charges and the responsibilities of the Governors and the users when the school premises are hired.

The use of our school premises at all times other than during the school day is under the control of the Governing Body of our school. (Education Act 1986, sect.42 no.2)

Having regard to our duty under the Race Relations Act 1976 (but without prejudice to our duties under the Representation of the People Act 1983) the Governing Body will not let the school premises to organisations whose purpose is, amongst other things, to encourage racial discrimination and/or disharmony between persons of different racial groups, or are otherwise involved in activities prejudicial to good race relations.

In deciding whether or not to let our premises the Governing Body will also have regard to the effect of social distancing in the event of a pandemic, the likelihood of any damage being caused to the premises, or neighbouring premises, and any nuisance that may arise, as a result of accepting the booking.

In any event, the Governing Body reserves the right to require a reference from a Local Authority or other reputable hirer, before any booking is accepted.

We will consider letting to any group able to comply with the terms and conditions outlined in this policy. These terms and conditions are clearly stated in our Conditions of Usage and Booking procedures documents, which will be sent out with all application forms.

The final decision on compliance lies with the Governing Body.
